FACILITY USE INFO AND APPLICATION

Church of God of Prophecy Facility Use Policy

Purpose Statement

Our church's facilities were provided through God's benevolence and by the sacrificial generosity of our church members. We desire that our facilities be used for the fellowship of the body of Christ and to bring God glory. Although our facilities are not generally open to the public, we make our facilities available to approved non-members as a witness to our faith, in a spirit of Christian charity, and as a means of demonstrating the Gospel of Jesus Christ in practice.

But use of our facility will not be permitted to persons or groups holding, advancing, or advocating beliefs or practices that conflict with the church's faith or moral teachings. Nor may church facilities be used for activities that contradict, or are deemed inconsistent with, the church's faith or moral teachings. The pastor, or pastor's official designee, is the final decision-maker concerning use of church facilities.

This restricted facility use policy is necessary for two important reasons. First, the church may not in good conscience materially cooperate in activities or beliefs that are contrary to its faith. Allowing its facilities to be used for purposes that contradict the church's beliefs would be material cooperation with that activity and would be a grave violation of the church's faith and religious practice. (2 Cor 6:14O 1 Thess 5:22.)

Second, it is very important that the church present a consistent message to the community, and that the church staff and members conscientiously maintain that message as part of their witness to the Gospel of Jesus Christ. Allowing facilities to be used by groups or persons who express beliefs or engage in practices contrary to the church's faith would have a severe, negative impact on the message that the church strives to promote. It could also cause confusion and scandal to church members and the community because they may reasonably perceive that by allowing use of our facilities, the church agrees with the beliefs or practices of the persons or groups using its facilities.

Therefore, in no event shall persons or groups who hold, advance, or advocate beliefs, or advance, advocate, or engage in practices that contradict the church's faith use any church facility. Nor may church facilities be used in any way that contradicts the church's faith. This policy applies to all church facilities, regardless of whether the facilities are connected to the church's sanctuary, because the church sees all of its property as holy and set apart to worship God (Col 3:17).

Approved Users and Priority of Use

The pastor or official designee must approve all uses of church facilities. Generally, priority shall be given to church members/regular attenders, their immediate families, and organized groups that are part of the ministry, organization, or sponsored activities of the church. Church facilities and equipment will be made available to non-members or outside groups meeting the following qualifications:

- Groups or persons requesting facility use must affirm that their beliefs and practices and planned uses of the facilities are consistent with the church's faith and practice.
- The group or person seeking facility use must submit a signed "Facility Use Application" form.
- The group or person seeking facility use must be willing to take responsibility for the facilities and equipment used and must agree to the church's rules of conduct for facility use, as stated below and as described in any additional instructions by our church staff.

Facility Use Guidelines

- Church equipment, such as tables and chairs, must be returned to original placement, unless approved otherwise prior to the event.
- All lights must be turned off and doors locked upon departure.
- Clean-up is the responsibility of the group using the facility, unless the group has agreed to pay a clean-up fee. See “Cleaning Agreement” to see what constitutes satisfactory clean-up.
- Abusive or foul language, violent behavior, and drug or alcohol abuse are strictly prohibited on church premises. Any person exhibiting such behavior will be required to leave the premises immediately.
- Any person or group must sign the “Facility Use Application” form prior to reservation of church facilities.
- All fees are to be paid prior to the event. Building use is not granted until fees and deposit are paid and a signed facility use application is returned.
- NO SMOKING is allowed anywhere inside the building, including rest rooms. If this rule is violated, the church will keep any deposit.
- NO ALCOHOL is allowed on church premises.
- Leaders of groups are responsible for keeping members of their groups within their designated area.
- Church kitchen supplies are not included in the rental.
- If use of the facilities involve youth, adult supervision is required.
- If a reservation needs to be canceled, a 24 hour notice must be provided to the church (unless inclement weather or extenuating circumstances). If notice is not provided, the deposit will be kept with any other rental fees being returned (see “Building Use Fee Policies”).
- If the usage space is not returned to its original condition (tables/floors dirty, trash left out, etc.), the deposit will be retained to offset the clean-up costs incurred by the church.
- By submitting the “Facility Use Application”, groups or individuals take the responsibility for any damage to the building, its contents, or church grounds your party may cause.

Cleaning Agreement

Tile Floors:

Kitchens, bathrooms, fellowship hall and other tile surfaces should be swept and mopped after use. Mops, brooms and buckets are available in the storage building. Do not drag or slide tables and chairs across tiled floors, as it results in damage to both floors and furniture.

Building Use Fee Policies

Church Sponsored Activities

No building use fees are involved in regular Church sponsored activities, since this is the primary purpose for the facilities.

Members/Regular Attenders

No building use fees are needed for members or regular attenders as their tithes help fund the expense and maintenance of the facilities. This applies only when member/regular attendee is the one securing the rental.

Non-Sponsored Activities

Building use fees will be charged for other authorized activities and are understood to cover costs of heating, air conditioning, lights, water and sewer, and general wear and tear.*

****Note: because one or more Church members may also be a member of a requesting non-sponsored group this does not qualify the group for non-fee use of the facility.***

All users of the building, including Church members and staff, are expected to comply with building use request procedures. In case of improper cleanup, the group will be contacted and asked to “finish the job”. If the group does not respond to this request, they will be charged a custodial fee of \$50.00 and therefore will not be reimbursed their reservation deposit of the same amount.

Building use fees must be paid to the Church office **two weeks prior** to the event with checks made payable to Carbon Hill Church of God of Prophecy. If reservations are cancelled 48 hours prior to the event, the fee(s) will be refunded. If reservation is cancelled 24 hours prior to the event, all fee(s) will be refunded except for deposit.

The facilities of the Carbon Hill Church of God of Prophecy are available for use by responsible and appropriate groups. The following identifies the areas available, the fee for usage, and the deposit fee required. Upon favorable inspection after the event, based on adhering to the attached rules and the satisfactory completion of the **Facilities Shutdown Checklist** form, the deposit will be refunded.

Misuse, abuse or inappropriate behavior may disqualify a group from future use of the facilities and/or forfeit their deposit.
